

Last Frontier Farm LLC Riding Release

This release is given by the undersigned Rider or Rider's Legal Guardian in consideration of the agreement by "Last Frontier Farm LLC" to provide rider horseback riding facilities and/or horseback riding instruction and shall be binding upon the rider's spouse, heirs, successors, executors, administrators, and legal representatives.

Rider understands that horseback riding is an inherently dangerous activity and voluntarily assumes the related risks of physical injury, death, or property damage, acknowledging that it is not the responsibility of "Last Frontier Farm" to assure the safety of Rider in this activity.

Rider releases, discharges, and agrees to indemnify and hold harmless "Last Frontier Farm LLC", its employees, agents, representatives, directors and shareholders, and their respective successors and assigns, and the Owner and Boarder of the horse, if other than Last Frontier Farm (collectively "releasees"), from all actions, causes of action, claims, liabilities, judgements, costs, expenses, and other obligations, whether or not occasioned by Releasees' negligence, including without limitation, any of the foregoing arising out of injury, death, or damage to property, whether suffered by Rider or any third party, which Rider shall or may in future have for any cause whatsoever, including Rider's horseback riding, horseback riding instruction, or other activities on or off Last Frontier Farm premises, or which arise out of first aid or emergency medical treatment furnished Rider by any of Releasees.

This release shall be construed so as to permit its enforcement to the fullest extent permissible under the laws of the State of West Virginia. This release may not be changed other than by a writing specifically referring to this release signed by a duly authorized officer of Last Frontier Farm LLC.
